

Amarie

Amarie of the Vanyar was the beloved of Finrod Felagund, but they did not marry. The name Amarie is Quenga elvish. Felagund went into exile from Valinor with Feanor's group, while Amarie remained behind in Valinor.

It is noted in The Lay of Leithian that Finrod was soon allowed to return to life in Valinor, and "now dwells with Amarie", so they probably were wed later.
