Hey there! I'm Connor,
I'm originally from Dublin but I'm
working up here now as a payroll
Manager, it's pretty dull but I have lots
of hobbies including golf, walking and
playing the piano to keep me going...
Don't ask about my 'love life',
it gets more complicated by the minute!
Thanks for dropping by!

Strange things have been happening around here lately. I saw this stunning girl on the way to the golf club one day, I doubt she even noticed me but here a few weeks later do I not bump into her again and we got talking. She's invited me to meet her at her tennis club. I'm not sure, she's very young and well Isla has a lot to say on the subject. ...not much good I might add

Me with Isla, my nosy wee
flat mate! I'm sure I love
her really...but not like
that!

Isla's a good friend, she's helped me a lot in the past few years but she's so nosy! I find myself having to explain my every move to her as though she's my mother! I've sneaked away to meet Ashlea at the court, I haven't played tennis for years, I had to buy new stuff...am I just being really stupid?

Isla has press-ganged me into going to her best friend's wedding, I'm not amused! I work with the groom but he's hardly a 'mate' and I don't particularly like weddings. Things are looking up, Ashlea is here too - God I wish I hadn't worn my work suit, I look ridiculous - I really need to buy some more up to date togs... not that she seems to mind - she really is a very lovely young lady...

Well I never thought I could look this smart! It's Ashlea's doing even though she doesn't know it....she says she doesn't care what I look like but she's so incredible looking that I felt really stupid going out with her in my old stuff so I've invested in a new wardrobe! Not before time...

We're going camping on Mull, I've always wanted to do it and now I've found a special girl to do it with me!

Ashlea thinks it's too cold to swim in the sea here...that's her Spanish blood, we Irish are much harder....I hope!!

Night night!!

Sadly I didn't win the Golf shield this year, but hey I've had a lot on my mind! My boss, Steven beat me in the final which is a bummer but he's a nice guy so I don't mind that much.. I had more success in the fourballs with Gerry Valentine, we won...at least I have a date to take to the dinner with me this year, possibly more than Gerry will have, his love-life is even more complicated than mine and that's saying something!

I was a bit embarrassed to meet Isla's parents at the event, they seem to have a problem with Ashlea too, I wonder why.
