

# Edith

Good day to you.

I am Edith. I have two daughters Georgiana and Lucinda that you may have already met, I divorced their father many years ago and we are not on speaking terms.

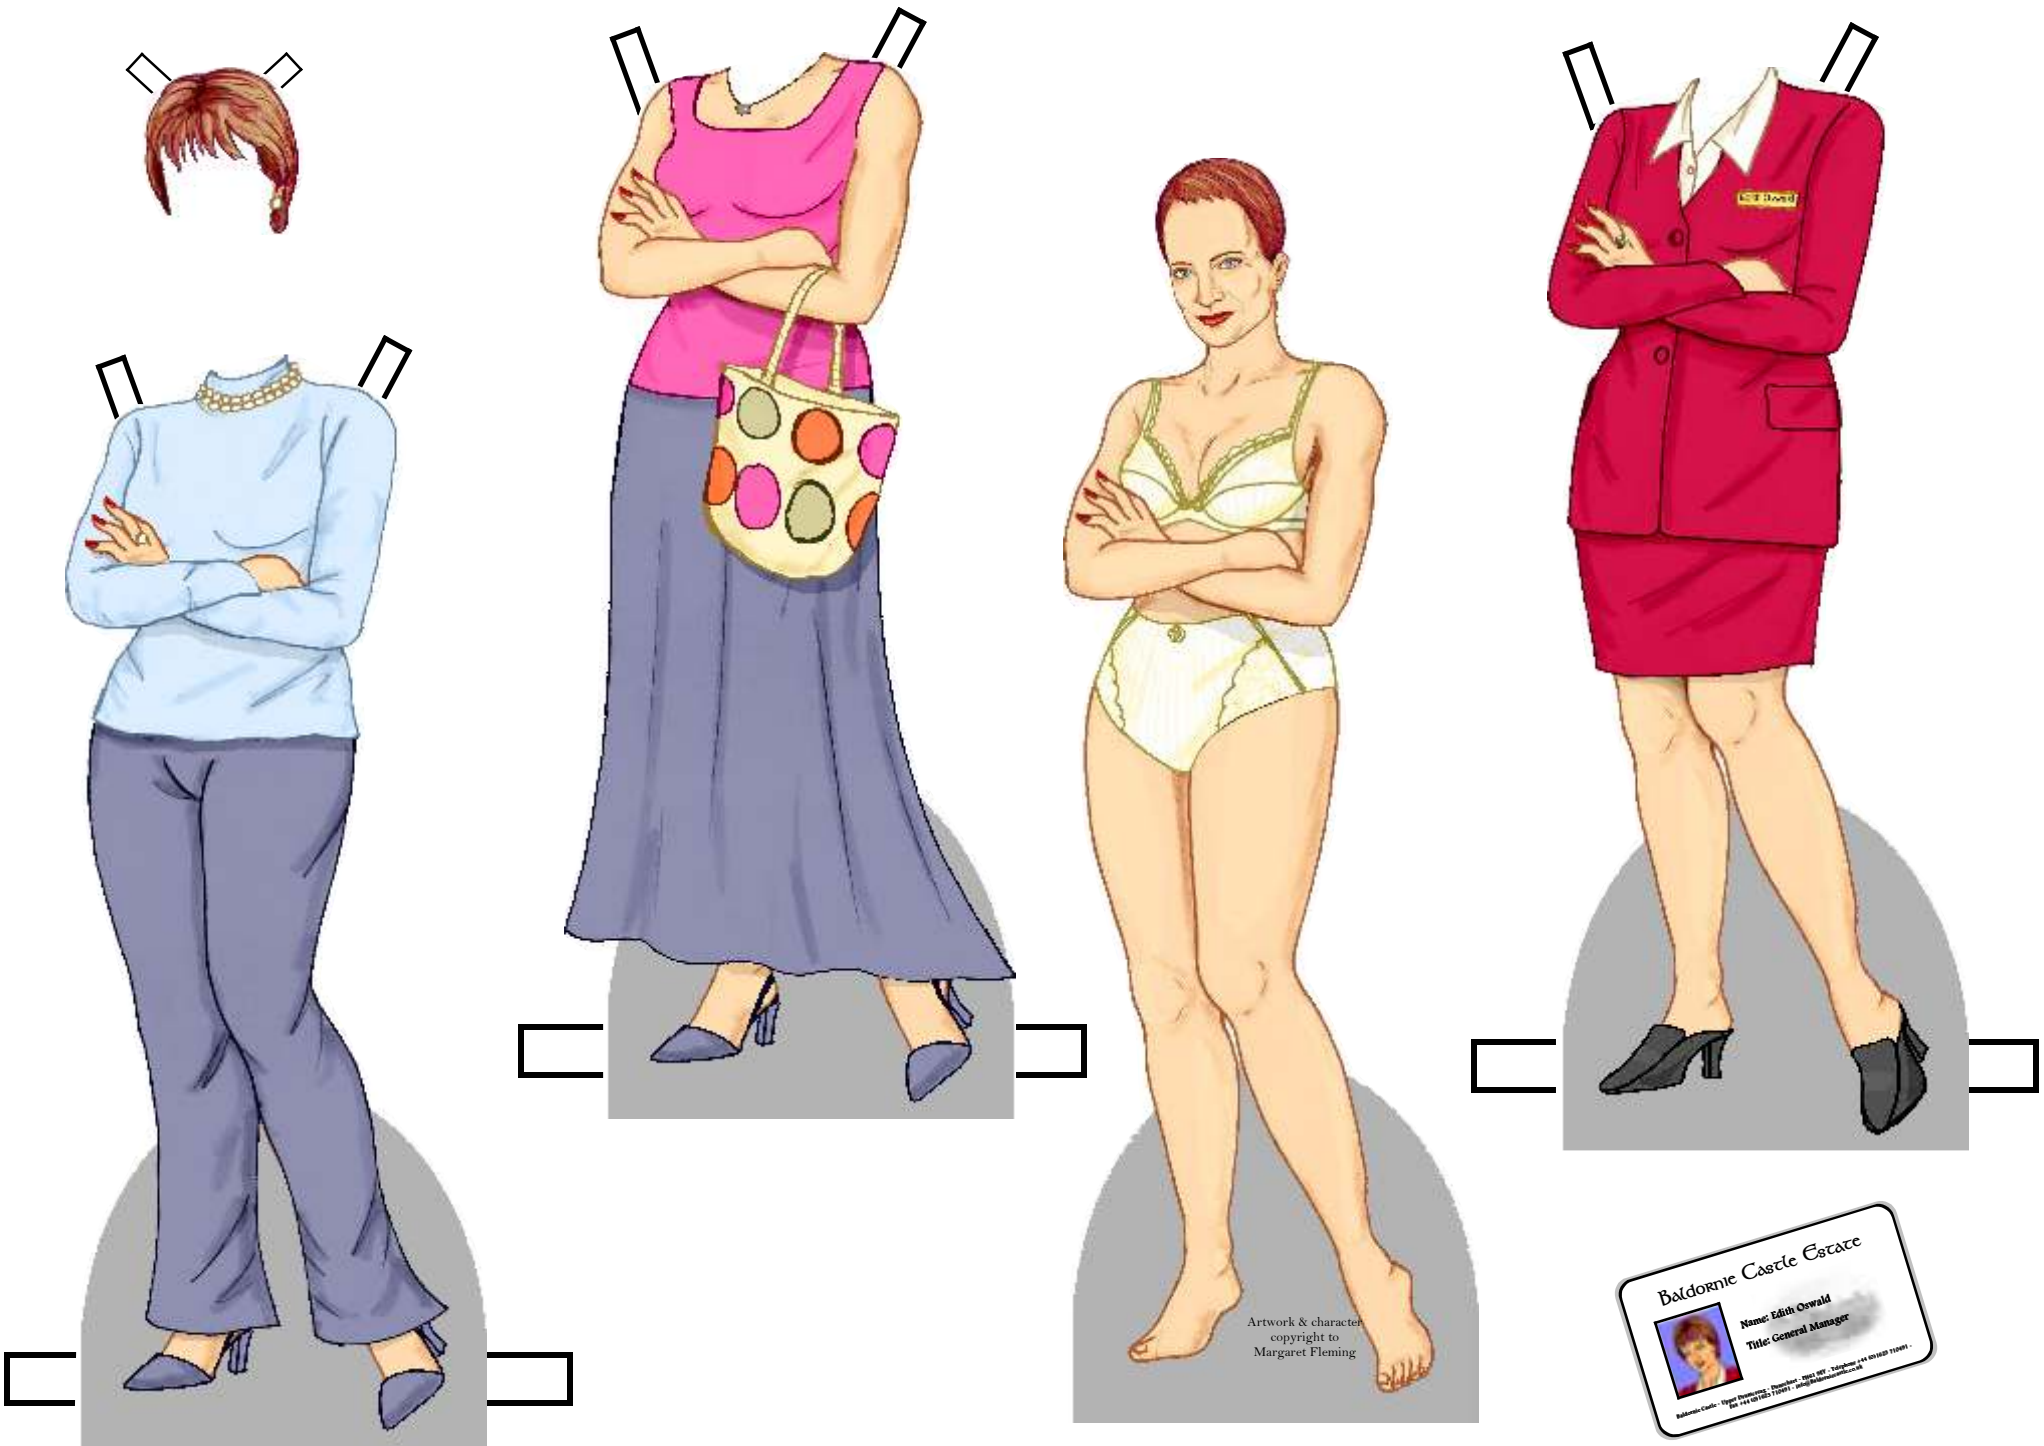

I work at The Baldornie Castle Country Club as the Hotel Manager. It's a demanding job but I like to think I do it to the best of my abilities - I guess I am considered a hard task master by the other staff.

In my leisure hours I enjoy viewing historic buildings and galleries and reading.
