

Galadriel

Galadriel was the only daughter and youngest child of Finarfin, prince of the Noldor, and of Eäruen, who was cousin to Lúthien. She was born in Valinor during the Years of the Trees.

Once in Beleriand, she lived nominally with one of her brothers, Finrod Felagund of Nargothrond mainly, but spent much time at the court of Thingol and Melian in Menegroth, where she was welcomed because of her family relationship to Thingol's brother Olwë. She met Celeborn, a kinsman of Thingol, in Doriath.

She is described as having been "blessed with the ability to peer into the minds of others and she judged them so fairly.
