

Beleg Strongbow

Beleg Strongbow conducts the defence of the realm of Doriath leading smaller companies in actions along the borders as Chief of the Marchwardens.

Beleg accidentally cuts Túrin, his friend with his sword. Túrin awakes and does not recognize Beleg in the darkness, mistaking the shape over him with a blade for an Orc. In a sudden rage of self defence, he wrests the sword from Beleg and kills him. Túrin takes Beleg's sword which Túrin himself dies upon in later years.
