Hi there, David here...  
thanks for stopping by!  
I'm the manager of 'The Business Advisory'  
a Consultancy in Dunochart run by Stafford Enterprise.  
It's very interesting work and I enjoy my job.  
I've lived here for several years now originally coming from  
Dundee. I met my wife, Jackie on a blind date not long after I  
moved here and we married just over a year later - love at first  
sight!  
We now have 2 daughters and a dog to occupy our free time,  
I love taking them out for long walks, camping, cycling  
and swimming. I also have a black belt in Karate!

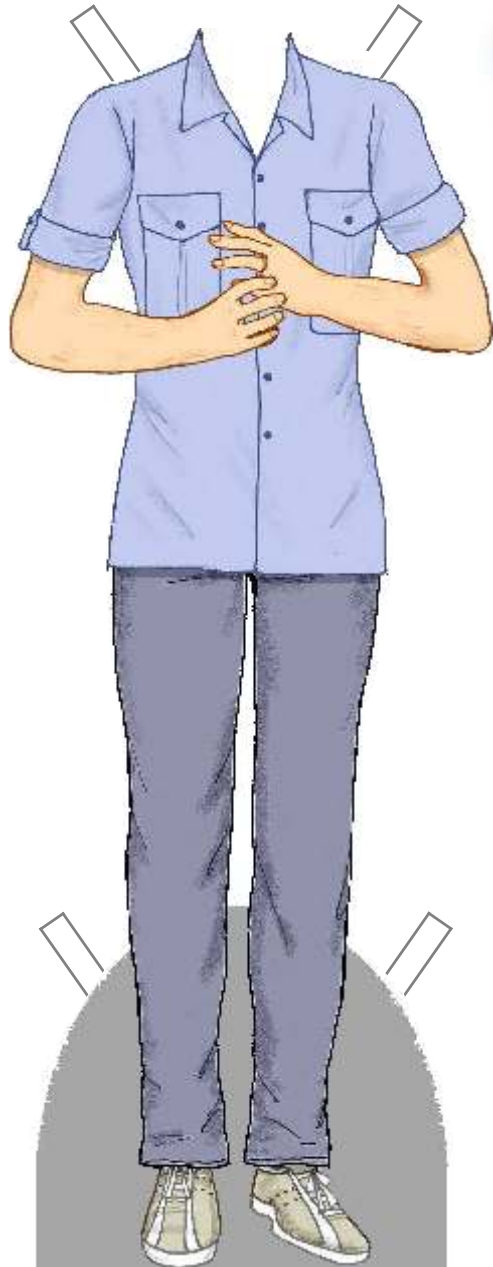

See you again soon...  
Dave
