

Melkor

Melkor later called Morgoth Bauglir is one of the Ainur, he is as a mountain that wades in the sea and has its head above the clouds and is clad in ice and crowned with smoke and fire; and the light of the eyes of Melkor was like a flame that withers with heat and pierces with a deadly cold.

He is the ultimate antagonist of Middle-earth and seeks to destroy the works of the other Ainur and claim power only for himself.
