

=Tulkas=

Tulkas also known as Astaldo, or the Valiant. He is renowned for his strength and his deeds of prowess. He was the last to come to Arda, coming to the aid of the Valar in their battles against Melkor. He has little heed for either the past or the future, and is of no avail as a counsellor, but is a hardy friend. He laughs ever in both sport and war, and even in the face of Melkor. Nessa is his spouse. Tulkas is golden of hair and beard, and his face is ruddy. Wrestling and contests of strength are his pleasures, and he is fast, powerful, and valiant
